

Hello everybody!

En primer lugar os voy a pasar un vídeo explicativo de la tarea que mandé en clase. El vídeo servirá a los chicos para repasar la teoría, así que es importante que lo vean.

El enlace para ver / descargar el vídeo es:

<https://drive.google.com/open?id=15cxmIAC20qrp3dBaZxV44U1vzRKBlINl>

Lo ideal sería que me mandaseis las fotos con los ejercicios hechos para revisarlo yo uno por uno, pero como sólo unos pocos estáis conectados en ClassDojo, os mando la solución en la siguiente página.

Por favor, quien no se haya conectado todavía a ClassDojo que lo haga cuanto antes, para poder tener una conversación más personal y fluida.

Saludos!  
César
